## INTRODUCTION

An Operator's manual, Service manual and a Parts catalog are made available by Tigercat to assist the dealer, customer and operator in becoming familiar with the features of the 470 Mulcher.

### SERIAL NUMBERS:

470 4702001–4702500

The 470 Mulcher is a mechanical mulcher intended for use in forest mastication, vegetation management and land reclamation operations.

The Operator's manual will assist the operator with the techniques of proper and safe operation of the 470 Mulcher. There is also important information regarding the safe operation of the attachment. The Service manual contains safety and servicing procedures and a preventive maintenance schedule to assist in repair and to ensure optimum machine performance.

Section 1 in both the Operator's manual and the Service manual contains safety information that must be followed. As well, throughout the rest of the manuals, DANGER, WARNING and CAUTION notices are displayed where necessary, drawing attention to possible hazards when performing certain procedures.

Only trained personnel are allowed to operate or work on the machine.

The information contained in this manual is current at time of printing. Improvements to the machine are on-going and may not be covered, therefore in these cases contact your Tigercat dealer for the appropriate information.

Tigercat reserves the right to make changes to the machine after this manual release date that may not immediately appear in this manual.

If the machine in question was built after the release date of this manual and there is a discrepancy, call Tigercat service department.

Tigercat reserves the right to change information contained herein at any time without prior notice.
