Tigercat 6900 Grinder

INTRODUCTION

An Operator's Manual, Service Manual and a Parts Catalog are made available by Tigercat to assist the dealer, customer and operator in becoming familiar with the features of the 6900 Grinder.

SERIAL NUMBERS:

6900 69000001–69000500

The 6900 Grinder is designed to process all types of wood debris.

The Operator's Manual will assist the operator with the techniques of proper and safe operation of the 6900 Grinder. There is also important information regarding the safe operation of accessories (if equipped). The Service Manual contains safety and servicing procedures and a preventive maintenance schedule to ensure optimum machine performance.

Section 1 in both the Operator's Manual and the Service Manual contains safety information that must be followed. As well, throughout the rest of the manuals, DANGER, WARNING and CAUTION notices are displayed where necessary, drawing attention to possible hazards when performing certain procedures.

Only trained personnel are allowed to operate or work on the machine.

The information contained in this manual is current at time of printing. Improvements to the machine are on-going and may not be covered, therefore in these cases contact your Tigercat Dealer for the appropriate information.

Tigercat reserves the right to make changes to the machine after this manual release date that may not immediately appear in this manual.

If the machine in question was built after the release date of this manual and there is a discrepancy, call Tigercat service department.

Tigercat reserves the right to change information contained herein at any time without prior notice.
