TCM WARRANTY

TOYO UMPANKI CO., LTD (TCM) warrants that the new products manufactured by **TCM** to which this **WARRANTY** is originally attached (the **TCM** product) shall, irrespective of any further warranty that may be issued by any third party, be covered by the warranty set forth below and on the reverse side hereof.

1. Warranty

The **TCM** product shall, while in normal use, be warranted not to malfunction due to defects in workmanship or material. This warranty shall be issued only to the purchaser for original use.

Should the **TCM** product malfunction, **TCM** will repair or replace or cause to be repaired or replaced at **TCM**'s option any parts of the **TCM** product that proves not to conform to the warranty stated herein, provided, together with this warranty, such parts shall without charge to **TCM** have been brought to **TCM**'s authorized servicing representatives.

This warranty specifically excludes the liability for damages arising from loss of use or profits, incurrence of costs or expenses or injury to business, credit, reputation or financial standing and for all other consequential damages. This warranty is definitive and exclusive and is in lieu of **TCM**'s all other warranties expressed or implied and there is no warranty of merchantability or fitness for a particular purpose.

2. Period

TCM's obligation under the warranty stated herein shall continue only for the following period;

(a) **One (1) year or two thousand (2000) hours of use** following the first delivery of the **TCM** product, whichever expires first, with respect to the **Engine, Electric Drive or Pump Motor, Electric Control, Transmission, Torqueconverter, Hydrostatic Transmission or Drive Axle Assembly** originally incorporated in the said **TCM** product, provided, however, that as to the following power train parts, the warranty period is six (6) months or one thousand (1000) hours;

- (1) Brake drum and Hub Assembly, Wheel brake Assembly, and Wheel rim.
- (2) Such accessories for engine like Carburetor, Aircleaner, Alternator, Starter, Regulator, Speed governor, LPG equipment, Turbo charger and Ring gear of flywheel.

(b) **Six (6) months or one thousand (1000) hours of use** following the first delivery of the **TCM** product, whichever expires first, with respect to the whole parts originally incorporated in the said **TCM** product, except as excluded in (a) above and on the reverse side hereof.

3. Changes and Improvement

TCM is constantly striving to improve its products. Changes in design and improvement will be made whenever the efficiency of its products is improved thereby, but without incurring any obligation to incorporate such improvements in any products which have been shipped or are in services.
