MAINTENANCE SAFETY

Instructions are necessary before operating or servicing machine. Read and understand the Operation & Maintenance Manual, Operator’s Handbook and signs (decals) on machine. Follow warnings and instructions in the manuals when making repairs, adjustments or servicing. Check for correct function after adjustments, repairs or service. Untrained operators and failure to follow instructions can cause injury or death.

Safety Alert Symbol: This symbol with a warning statement, means: “Warning, be alert! Your safety is involved!” Carefully read the message that follows.

CORRECT

Never service the Bobcat Skid-Steer Loader without instructions.

P-90216

CORRECT

Use the correct procedure to lift or lower operator cab.

B-15590

CORRECT

Cleaning and maintenance are required daily.

B-15591

WRONG

Have good ventilation when welding or grinding painted parts.

B-15592

WRONG

Disconnecting or loosening any hydraulic tube, hose, fitting, component or a part failure can cause lift arms to drop. Do not go under lift arms when raised unless supported by an approved lift arm support device. Replace it if damaged.

B-15593

WRONG

Never work on loader with lift arms up unless lift arms are held by an approved lift arm support device. Replace if damaged.

B-15599

WRONG

Keep body, jewelry and clothing away from moving parts, electrical contact, hot parts and exhaust.

B-15601

WRONG

Lead-acid batteries produce flammable and explosive gases. Keep arcs, sparks, flames and lighted tobacco away from batteries.

B-6589

Lead-acid batteries contain acid which burns eyes or skin on contact. Wear protective clothing. If acid contacts body, flush well with water. For eye contact flush well and get immediate medical attention.

B-6590

Please note: Maintenance procedures which are given in the Operation & Maintenance Manual can be performed by the owner/operator without any specific technical training. Maintenance procedures which are not in the Operation & Maintenance Manual must be performed ONLY BY QUALIFIED BOBCAT SERVICE PERSONNEL. Always use genuine Bobcat replacement parts. The Service Safety Training Course is available from your Bobcat dealer.
